Complaints Policy and Procedure

1. Introduction

Community Centre @ Christ Church aims to provide its service users with a fair and high quality service, within its stated aims and priorities and welcomes feedback from service users, members, other individuals and organisations we work with, on all aspects of our services. Such feedback is invaluable in helping us to improve our work.

The purpose of this complaints policy and procedure is to:

- Provide a formal means for feedback, both compliments and complaints, to be dealt with;
- Ensure that everyone knows how to make a complaint;
- Ensure that complaints are dealt with consistently, fairly and quickly;
- Ensure that complaints are monitored and contribute to changes to improve our services.

Community Centre @ Christ Church will:

- Listen carefully to complaints
- Wherever possible treat complaints as confidential
- Ensure that wherever possible, and except for reasons of legality or confidentiality, its management of complaints is open and transparent

- Record and store all information in accordance with the Data Protection Act
- Fully investigate the complaint quickly
- Write to the complainant with the results of the investigation, inform them of any actions implemented to prevent a re-occurrence and to tell them of any right of appeal
- Report to each Management Advisory Meeting the number of compliments and complaints received, the findings of any investigations and actions taken.

This Policy and Procedure does not replace any legal rights an individual or organisation may wish to explore.

2. Definitions

A complaint is any expression of dissatisfaction by anyone using our services whether justified or not. An individual or other organisation may make a complaint if they feel that Community Centre @ Christ Church has:

- Failed to provide a service or an acceptable standard of service
- Delayed in providing a service
- Made a mistake in the way it has provided a service
- Provided an unfair service
- Failed to act in a proper way

Compliments

Any verbal or written compliment will be recorded by the person receiving the compliment and be passed to the Community Centre Development Manager for recording in the Compliments Register. Feedback on compliments will be shared with staff at appropriate times.

Legal issues

There may be occasions when the Community Centre @ Christ Church is required by law to refer a complaint to law enforcement or statutory agencies, or the Association is informed about a complaint by a law enforcement agency, solicitors or bodies with statutory powers of investigation. At all times legal, statutory or professional investigations will take primacy over the Complaints Policy and Procedure and the Association will not undertake any actions that may compromise any external investigations. In such cases:

- The Complaints Policy and Procedure will be initiated and the governing body may take such action to protect clients, users, or the Association through suspension of a member or other volunteer until such a time as any legal procedures or investigations are completed to

the satisfaction of the external agencies concerned. If the complaint involves a paid member of staff then the Disciplinary and Grievance Procedure will be used.

- Once immediate actions have been taken the Complaints policy will become suspended until such a time as any legal procedures or investigations are completed to the satisfaction of the external agencies concerned.
- The Community Centre @ Christ Church will keep full and accurate records of its actions in respect of such a complaint.

3. Data Protection

To process a complaint the Community Centre @ Christ Church will hold personal data about a complainant, which the individual provides and which other people give when investigating the complaint. Community Centre @ Christ Church will hold this data securely and only use it to help to address the complaint. The identity of the person making the complaint will only be made known to those needing to consider the complaint and will not be revealed to other people or made public by Community Centre @ Christ Church. However it may not be possible to preserve confidentiality in all circumstances, for example, where relevant legislation applies or allegations are made which involve the conduct of third parties.

Under the Freedom of Information Act 2000, individuals have a right to obtain a copy of their personal data. However, there are exceptions to this right. Community Centre @ Christ Church will normally destroy its compliments and complaints files in a secure manner 6 years after the compliment has been made or the complaint closed.

4. Monitoring

Compliments and complaints are an important tool, which alongside other user feedback and evaluations will allow Community Centre @ Christ Church to learn about the services we provide. They provide a useful source of information about how individuals see our services and how we are serving them. To ensure that we learn from compliments and complaints the following information will be collected:

Compliments

- Name and address
- Nature of compliment
- Date compliment received
- Action(s) taken recommendations made in response to the compliment (where appropriate)

Complaints

- Name and address of complainant
- Date complaint received
- Name of person dealing with the complaint

- Date of response to the complaint
- Nature of the complaint
- Action(s) taken recommendations made in response to the complaint (where appropriate)
- Lessons learnt

Compliments and complaints information will be considered on a regular basis and reported quarterly to the Advisory Group. Wherever possible the information will be used to improve and develop services.

If the Community Centre receives a complaint about another member of the Community Centre the formal complaints procedure will be used and the Centre Manager will also carry out any actions in accordance with this complaints procedure.

5. The Procedure

There are two stages to the complaints procedure:

Stage One: The Complaint

a) What you need to do

Write to Community Centre @ Christ Church explaining your complaint as fully as possible. Your letter should be addressed to the Community Centre Development Manager at the above address and marked "Private and Confidential". Please include your name, a contact address and telephone number and the name of the organisation you represent, if appropriate. We cannot respond to anonymous complaints. The Community Centre @ Christ Church staff can help you to put your complaint in writing, or signpost you to someone who can support you to do this.

b) What the Community Centre @ Christ Church will do

If an individual prefers to make a verbal complaint then the person dealing with it **must** record the details on the Complaints Form. If an individual asks for a copy of the Complaints Policy and Procedure including a Complaints Form the Community Centre @ Christ Church will send these out where possible on the **same day or within 5 working days** of the request.

On receiving a complaint the Community Centre @ Christ Church will ensure that it is logged on to the complaints register.

The Centre Manager will contact you within 10 days with written confirmation that your complaint has been received and that an investigation has begun. If the Development Manager is not available, the next relevant person will deal with the matter. If both are unavailable another member of the Advisory group will deputise.

The Centre Manager (or deputy) may be able to resolve the complaint quickly by way of an apology, by providing the service required or by providing an

acceptable explanation. The Chair of the Advisory Group will complete a 'Complaints Investigation Report' (see appendices) and send a copy of this to you.

If it is not possible to resolve the complaint quickly then the Centre Manager (or deputy) will fully investigate the complaint by interviewing any relevant staff. The Centre Manager may seek advice from our insurers and/or from external advisers. If the investigation is likely to be time-consuming or complex, the Centre Manager may involve up to two other Advisory Group members. Notes will be taken of any interviews and the interviewees will receive a copy. The Centre Manager will list any evidence seen (e.g. files, E-mails etc.).

All parties involved in the investigation will be required to keep the matter private and confidential, except that staff may seek the advice of trades unions or other advisers if they consider that the Community Centre @ Christ Church Disciplinary and Grievance Procedure will need to be invoked

You will receive a copy of our "Complaint Investigation Report" within 21 days. This will be in writing, unless you have requested that we use another medium. It will include a summary of what has been done to investigate the complaint and any proposed action to remedy the situation. Having received the report you then need to complete the return slip indicating if you are satisfied with the outcome of the investigation or not.

If you are dissatisfied with the outcome the return slip provides the Association with details of your intention to move to Stage 2.

Stage 2: Appeal against the Development Managers decision

a) What you need to do

If you are dissatisfied with the decision that has been made you can appeal. This must be done within 7 working days of having received the Complaints Investigation Report. You make your appeal by completing the return slip indicating that you are not satisfied and wish to move to Stage 2 of the complaints procedure.

b) What the Community Centre @ Christ Church will do

You will be invited to make your appeal in person to an 'Appeals Panel' consisting of 3 Advisory Group Members not previously involved in the investigation. They will have been given a copy of the Complaints Investigation Report, but will not have discussed the matter with the investigator or the staff involved.

The role of the Appeals Panel is to see if your complaint has been dealt with properly and fairly and whether an appropriate decision has been reached, not to re-investigate the complaint. Where the complaint is against a member of staff, that person will be given the opportunity to submit a written statement to the

Appeals Panel. This will be considered alongside the original complaint, the investigation report and any action suggested to remedy the situation.

You will be given at least 7 days' notice of the date, time and venue of the Appeals Panel meeting and all reasonable efforts will be made to hold the meeting at a time convenient to you. You may bring someone to assist you, or to witness the procedure.

The Appeals Panel will write to you within 7 days to notify you of its decision and any actions to be taken to address the complaint. The Appeals Panel's decision will be final and no further correspondence will be entered into.
